- Pre-pass
- Hazmat pay

Why Sign-on At Taylor Distributing?

We understand that owner-operators aren't your average truckers. If you've got that entrepreneurial fire that drives you to push yourself and grow your owner-operator business, then Taylor Distributing would like to be your strategic partner. Don't take an owner operator job from just any drayage company; build a legacy at a company with 170 years of successful trucking experience. If you are interested in joining the most progressive drayage company in Cincinnati and have a late model tractor and clean MVR, then Taylor Distributing has the freight base and support staff you need to take your owner-operator business to the next level.
